Dancers not performing in ACT 2 will be dismissed after ACT 1 is complete. Dancers not performing in ACT 3 will be dismissed after ACT 2 is complete. Parents can anticipate a pick-up time of 6:30pm for ACT 1 only dancers, and 7:30 for dancers that are finished after ACT 2.

Please enter through the side entrance of the school adjacent to the parking lot. Do not enter through the front lobby. All cast members must stop at the security desk to check-in with staff before proceeding to the dressing rooms. Hang your coats on the provided coat racks. Proceed to the dressing rooms through the stage door off the hallway. Do not enter through the house or the lobby. Once you've organized your personal belongings in the dressing rooms, please proceed to the house (where the audience sits) and wait for the directors to call you to the stage for your blocking rehearsal. **It is VERY IMPORTANT that dancers are quiet and respectful while sitting in the house so that they aren't a distraction to the dancers onstage or the tech crew.**

You may bring only ONE DANCE BAG in with you that is no larger than a backpack. Dancers must take all belongings home at the end of Saturday's rehearsal. Do not leave anything at the theatre over night.

Blocking is specifically to adapt the pieces to the stage and to test the sound and lighting for the overall look and appeal. Performers must have appropriate shoes for their pieces.

Immediately following Food Service in the lobby, dancers should go back to the dressing rooms to get ready for the Dress Rehearsal. Dancers are responsible for setting all of their quick changes in the wings before the rehearsal begins. There will be personalized signs for your use to keep your quick changes organized. DCN staff will be on hand to assist you with your changes. If you have a fellow dancer helping you change as well, be sure that person is aware of where your costume pieces are located.

Only cast members, staff, & costume coordinators will be allowed in the dressing area or any part of the stage or house. Family members are not allowed to watch the dress rehearsal at any time.
