

## Attention: Individual Fittings for Nutcracker Costumes

---

Wonder if you need an individual fitting? Watch for an email from your Costume Lead!

**DO NOT SIGN UP UNTIL ASKED TO SIGN UP BY COSTUME LEAD**

If you require an individual fitting, please follow this process (new for 2020):

- 1) **Read the Fitting Guidance pdf** to determine how much time to reserve
- 2) Go to the Sign Up Genius link for Nutcracker Individual Fittings
- 3) Sign up for the number of 30 minute slots you need **with the correct fitter(s) for your costume**
  - In each sign up, include the costume you need fitted, your email (for reminders) and phone number (for last minute contact as needed)
- 4) Save the appointment in your calendar (this will include your fitter's phone number and the location of the fitting)

Sign up - You are responsible to be ready with your costumes by the time of the Run Through, or even sooner if they are used in rehearsal. Don't delay your fittings.

Show up for the time slots you sign up to use - respect the time of the Bravo volunteers, your teachers and your cast mates.

**Sign Up Genius Link:** Click on link in Green Room

**Access Code:** Fitme

A few notes:

- If you are being fitted by Jan Craven, continue to sign up with her separately.
- Not all costumes require individual fittings - many are completely fit when assigned

Thank you,  
The Costume Team
